9 May 2016

Dear Shareholder,

Annual General Meeting 2016

I am pleased to enclose the Notice of the Annual General Meeting ("AGM") of P2P Global Investments plc which will be held on 9 June 2016 at 3.00pm at RSA House, 8 John Adam Street, London WC2N 6EZ. The Notice of AGM sets out the business to be considered at the meeting. The purpose of this letter is to explain certain elements of that business to you.

Voting Arrangements – Action to be taken

If you would like to vote on the resolutions but will not be attending the AGM, you may appoint a proxy by completing and returning the enclosed proxy form. Alternatively, you may appoint a proxy electronically via www.capitashareportal.com by following the instructions or if you hold your shares in CREST, you may appoint a proxy via the CREST system. Notice of your appointment of a proxy should reach the Company's Registrar, Capita Asset Services at PXS1 34 Beckenham Road, Beckenham, Kent BR3 4TU, by 3.00pm on 7 June 2016. If you hold your shares through a nominee service, please contact the nominee service provider regarding the process for appointing a proxy.

Resolution 1 – To receive the Annual Report and Financial Statements

The Directors are required to present the financial statements, Directors' report and Auditor's report to the meeting. These are contained in the Company's Annual Report and Financial Statements 2015. A resolution to receive the financial statements, together with the Directors' reports and the Auditor's report on those accounts for the financial year ended 31 December 2015 is included as an ordinary resolution.

Resolution 2 – Directors' Remuneration

An advisory resolution to approve the Directors' Remuneration Report is also included although a binding resolution to approve the Directors' Remuneration Policy is not required as this was received at the AGM on 15 June 2015. Details of the votes cast approving the Remuneration Policy are included in the 2015 Annual Report. The Remuneration Policy is also reproduced in the 2015 Annual Report only for information.

Resolution 3 – Dividend Policy

A resolution to approve the Company's existing policy to pay four interim dividends per year.

Under the Company's Articles of Association, the Board is authorised to approve the payment of interim dividends without the need for prior approval of the Company's shareholders.

However, having regard to corporate governance best practice relating to the payment of interim dividends without the approval of a final dividend by a company's shareholders, the Board has decided to seek express approval from Shareholders of its dividend policy. The policy remains unchanged to that disclosed in the IPO prospectus published on 19 May 2014 which states that the Company intends to distribute at least 85 per cent. of its distributable income earned in each financial year by way of dividends to be paid quarterly. Shareholders should note that the dividend policy is not a profit forecast and dividends will only be paid to the extent permitted in accordance with the Companies Act 2006 (the "Act").

Notwithstanding the provisions of the Articles of Association, it is the intention of the Board to refrain from authorising any further interim dividend payments until such time as the Company's dividend policy is approved by its Shareholders. Accordingly, if resolution 3 is not passed at the Annual General Meeting, it is the Board's intention to recommend the declaration of any future dividends to the Company's Shareholders for approval in a general meeting until such time as an equivalent resolution approving the Company's dividend policy is approved by the Shareholders.

Resolutions 4-6 – Re-election of Directors

The Company's Articles of Association require that any director appointed by the Board, retire and seek election at the first AGM and thereafter every three years. In addition to this, the Board has agreed a policy whereby all Directors will seek annual re-election at the AGM, in line with the recommendations of the UK Corporate Governance Code for FTSE 350 companies. In accordance with this policy, all the Directors will stand for re-election to the Board.

Full biographies of all the Directors are set out in the Company's 2015 Annual Report and are also available for viewing on the Company's website <http://www.p2pgi.com>.

Resolutions 7 and 8 – Re-appointment and Remuneration of Auditor

At each meeting at which the Company's financial statements are presented to its members, the Company is required to appoint an auditor to serve until the next such meeting. The Board, on the recommendation of the Audit and Valuation Committee, recommends the re-election of PricewaterhouseCoopers LLP. Resolution 8 authorises the Audit and Valuation Committee to determine their remuneration.

Resolution 9 – Authority to allot ordinary shares

Resolution 9 authorises the Board to allot ordinary shares generally and unconditionally in accordance with Section 551 of the Act up to an aggregate nominal value of £86,306.80, representing 10% of the issued ordinary share capital at the date of the Notice.

No ordinary shares will be issued at a price less than the prevailing net asset value per ordinary share at the time of issue. This authority shall expire at the Annual General Meeting to be held in 2017.

The Directors have no intention of exercising this authority at present. However, the Directors consider it important to have the maximum flexibility to raise finance to enable the Company to respond to market developments and conditions.

Resolution 10 – Amendment to Investment Policy

Background to the proposed amendments to the Company's investment policy

Since the Company was admitted to trading in May 2014, the Investment Manager has deployed in excess of £1.75 billion, directly, and indirectly through its investments in other investment funds and in Credit Assets. The Investment Manager is seeing attractive investment opportunities in a similar asset class with appealing risk-adjusted returns and accordingly it has advised the Board that certain amendments should be made to the investment policy to: (i) better reflect the evolving market opportunity in this asset class; (ii) provide the Investment Manager with additional flexibility in making investments in order to achieve the Company's investment objective; and (iii) enable the Investment Manager to capitalise on opportunities in the market.

Summary of proposed amendments to the Company's investment policy

The Company's existing and proposed amended investment policies are set out in full in Part 2 of this document. A summary of the principal amendments to the Company's current published investment policy is set out below:

- i. The Company was established to invest in Credit Assets by Platforms. The Company is seeking to extend the investment policy to incorporate Credit Assets: (i) originated by or through non-Platforms such as banks, accountants, brokerage firms and advisory firms; and (ii) originated by the Company itself or its affiliates. In order to maintain diversification of its assets and an appropriate spread of investment risk, in conjunction with this change, the Company is introducing a restriction on the amount of its Gross Assets that can be invested via any single originator. This relevant restriction will mirror that of a Platform.
- ii. The Company is also seeking to amend the definition of "Credit Assets" to reflect the amendment set out in i. above.

Resolution 11 – Authority to disapply pre-emption rights

Resolution 11 is a special resolution which is being proposed to authorise the Directors to disapply the pre-emption rights of existing shareholders in relation to issues of ordinary shares under resolution 9 (being in respect of ordinary shares up to an aggregate nominal value of £86,306.80, representing up to 10% of the Company's issued ordinary share capital as at the date of the Notice).

No issuance of ordinary shares without pre-emption rights will be made at a price less than the prevailing net asset value per ordinary share at the time of issue.

This authority shall expire at the Annual General Meeting to be held in 2017.

Resolution 12 – Purchase of Own Shares

Resolution 12 is a special resolution that will grant the Company authority to make market purchases of up to 12,937,389 ordinary shares, representing 14.99% of the ordinary shares in issue as at the date of the Notice. The shares bought back will either be cancelled or placed into treasury at the determination of the Directors.

The maximum price which may be paid for each ordinary share must not be more than the higher of (i) 5% above the average of the mid-market values of the ordinary shares for the five business days before the purchase is made or (ii) the higher of the price of the last independent trade and the highest current independent bid for the ordinary shares. The minimum price which may be paid for each ordinary share is £0.01.

The Directors would not exercise the authority granted under this resolution unless they consider it to be in the best interests of shareholders, which may include addressing any significant imbalance between the supply and demand for the Company's ordinary shares and to manage a discount to net asset value at which the ordinary shares trade. Purchases would be made in accordance with the provisions of the Act and the Listing Rules. This authority shall expire at the Annual General Meeting to be held in 2017 when a resolution to renew the authority will be proposed.

Resolution 13 – Notice Period for General Meetings

Resolution 13 is a special resolution that will give the Directors the ability to convene general meetings, other than annual general meetings, on a minimum of 14 clear days' notice. The minimum notice period for annual general meetings will remain at 21 clear days. This authority would provide the Company with flexibility where action needs to be taken quickly but will only be used where the Directors consider it in the best interests of shareholders to do so and the matter is required to be dealt with expediently. The approval will be effective until the Company's Annual General Meeting to be held in 2017, at which it is intended that renewal will be sought.

Recommendation

Full details of the above resolutions are contained in the Notice. The Directors consider that all the resolutions to be proposed at the Annual General Meeting are in the best interests of the Company and its members as a whole. The Directors unanimously recommend that shareholders vote in favour of all the resolutions, as they intend to do in respect of their own beneficial holdings.

Yours sincerely

Stuart Cruickshank
Chairman
P2P Global Investments plc

PART 2 – THE COMPANY’S CURRENT AND PROPOSED INVESTMENT POLICY

The full text of the current and proposed new investment policy is set out below. In the event the resolution to approve the new investment policy is not passed, the Company’s assets will continue to be managed in line with the current investment policy.

Any future material changes to the investment policy will require the approval of shareholders.

Current investment policy

The Company invests in consumer loans, SME loans, corporate loans, and advances and loans against corporate trade receivables and other assets, which have been originated via Platforms. The Company may also invest in facilities, securities or other interests backed by a portfolio of any of the aforementioned loans, assets or receivables (all of the foregoing, “Credit Assets”). The Company will typically seek to invest in Credit Assets with targeted net annualised returns of 5 to 15 per cent.

The Company purchases Credit Assets directly, via Platforms and also invests in Credit Assets indirectly via other investment funds (including those managed by the Investment Manager, the Sub-Manager or their affiliates) that it deems suitable with a view to enhancing Shareholder returns and providing diversification of the Company’s assets. The Company will generally only seek to invest via other investment funds where these enable investments in Credit Assets from Platforms that the Company either cannot gain direct access to or could only gain direct access to on less favourable terms than an investment via another investment fund. The Company’s investments in Credit Assets may be made through subsidiaries of the Company.

The Company may also invest (in aggregate) up to 10 per cent. of Gross Assets (at the time of investment) in the listed or unlisted securities issued by one or more Platforms. This restriction shall not apply to any consideration paid by the Company for the issue to it of any convertible securities by a Platform. However, it will apply to any consideration payable by the Company at the time of exercise of any such convertible securities or any warrants issued by a Platform.

The Company invests across various Platforms, asset classes, geographies (primarily US and Europe) and credit risk bands in order to ensure diversification and to seek to mitigate concentration risks. The following investment limits and restrictions apply to the Company, to ensure that the diversification of the Company’s portfolio is maintained and that concentration risk is limited.

Platform restrictions

The Company will not invest more than 33 per cent. of Gross Assets via any single Platform. This limit may be increased to 66 per cent. of Gross Assets via any single Platform, provided that where this limit is so increased in respect of any Platform the Company does not invest an amount which is greater than 25 per cent. (by value) of the total loan origination of the preceding calendar year through such Platform

Proposed new investment policy

The Company invests in consumer loans, SME loans, corporate loans, and advances and loans against corporate trade receivables and other assets, which have been originated via Platforms or by other originators including, from time to time, the Company or its affiliates. The Company may also invest in facilities, securities or other interests backed by a portfolio of any of the aforementioned loans, assets or receivables (all of the foregoing, “Credit Assets”). The Company will typically seek to invest in Credit Assets with targeted net annualised returns of 5 to 15 per cent.

The Company will generally only seek to invest via other investment funds where these enable investments in Credit Assets from Platforms or other originators that the Company either cannot gain direct access to or could only gain direct access to on less favourable terms than an investment via another investment fund. The Company’s investments in Credit Assets may be made through subsidiaries of the Company.

The Company may also invest (in aggregate) up to 10 per cent. of Gross Assets (at the time of investment) in the listed or unlisted securities issued by one or more Platforms. This restriction shall not apply to any consideration paid by the Company for the issue to it of any convertible securities by a Platform. However, it will apply to any consideration payable by the Company at the time of exercise of any such convertible securities or any warrants issued by a Platform.

The following investment limits and restrictions apply to the Company, to ensure that the diversification of the Company’s portfolio is maintained and that concentration risk is limited.

Platform restrictions

The Company will not invest more than 33 per cent. of Gross Assets via any single Platform or single originator. This limit may be increased to 66 per cent. of Gross Assets via any single Platform or single originator, provided that where this limit is so increased in respect of any Platform or originator, the Company does not invest an amount which is greater than 25 per cent. (by value) of the total loan origination of the preceding calendar year through such Platform or originator.

IMPORTANT NOTES TO THE NOTICE OF MEETING

The following notes explain your general rights as a shareholder and your right to attend and vote at this AGM or to appoint someone else to vote on your behalf.

1. To be entitled to attend and vote at the AGM (and for the purpose of the determination by the Company of the number of votes they may cast), shareholders must be registered in the Register of Members of the Company at the close of business on 7 June 2016 (or, in the event of any adjournment, 48 hours before the time fixed for the adjourned meeting). Changes to the Register of Members after the relevant deadline shall be disregarded in determining the rights of any person to attend and vote at the meeting. There are no other procedures or requirements for entitled shareholders to comply with in order to attend and vote at the AGM.
2. The doors will open at 2.30pm and you may wish to arrive by 2.30pm to enable you to register and take your seat in good time. Light refreshments will be provided at the meeting. If you have any special needs or require wheelchair access to the venue, please contact the Company Secretary by telephone 020 7954 9796 in advance of the meeting. Mobile phones may not be used in the meeting hall, and cameras and recording equipment are not allowed in the meeting hall.
3. Members are entitled to appoint a proxy to exercise all or part of their rights to attend and to speak and vote on their behalf at the AGM. A shareholder may appoint more than one proxy in relation to the AGM provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that shareholder. A proxy need not be a shareholder of the Company. A form of proxy which may be used to make such appointment and give proxy instructions accompanies this Notice. If you do not have a form of proxy and believe that you should have one, or if you require additional forms, please contact our Registrar, Capita, on 0871 664 0300 (or from outside the UK: +44 208 639 3399). Calls to this number cost 12p per minute plus network extras. Lines are open Monday-Friday, 9.00am-5.30pm (excluding UK public holidays).
4. In the case of joint holders, where more than one of the joint holders purports to appoint a proxy, only the appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company's Register of Members in respect of the joint holding (the first named being the most senior).
5. Any person to whom this Notice is sent who is a person nominated under Section 146 of the Act to enjoy information rights (a "Nominated Person") may, under an agreement between him/her and the shareholder by whom he/she was nominated, have a right to be appointed (or to have someone else appointed) as a proxy for the AGM. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he/she may, under any such agreement, have a right to give instructions to the shareholder as to the exercise of voting rights.
6. The statement of the rights of shareholders in relation to the appointment of proxies in notes 3, 4 and 8 do not apply to Nominated Persons. The rights described in these paragraphs can only be exercised by shareholders of the Company.
7. A vote withheld is not a vote in law, which means that the vote will not be counted in the calculation of votes for or against the resolution. If no voting indication is given, your proxy will vote or abstain from voting at his or her discretion. Your proxy will vote (or abstain from voting) as he or she thinks fit in relation to any other matter which is put before the AGM.
8. To be valid, any form of proxy or other instrument appointing a proxy must be received by post or (during normal business hours only) by hand at the Company's Registrar, at the address shown on the form of proxy or in the case of shares held through CREST, via the CREST system, (see note 11 below). As an alternative to completing your hard-copy proxy form, you can appoint a proxy electronically at www.capitashareportal.com. In each case, for proxy appointments to be valid, they must be received by no later than 3.00pm on Tuesday 7 June 2016. If you return more than one proxy appointment, either by paper or electronic communication, that received last by the Registrar before the latest time for the receipt of proxies will take precedence. You are advised to read the terms and conditions of use carefully. Electronic communication facilities are open to all shareholders and those who use them will not be disadvantaged.
9. The return of a completed form of proxy, other such instrument or any CREST Proxy Instruction (as described in note 12 below) will not prevent a shareholder attending the AGM and voting in person if he/she wishes to do so.
10. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the AGM (and any adjournment of the AGM) by using the procedures described in the CREST Manual (available from <https://www.euroclear.com/en.html>). CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

11. In order for a proxy appointment or instruction made by means of CREST to be valid, the appropriate CREST message (a 'CREST Proxy Instruction') must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications and must contain the information required for such instructions, as described in the CREST Manual. The message must be transmitted so as to be received by the issuers' agent (ID RA10) by 3.00pm on Tuesday 7 June 2016. For this purpose, the time of receipt will be taken to the time (as determined by the timestamp applied to the message by the CREST application host) from which the issuers agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.
12. CREST members and, where applicable, their CREST sponsors, or voting service providers should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting system providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
